

Buyer verification sheet

2003 HONDA Accord EX-V6

VIN 1HGCM82633A004352

Generated 2026-09-11T16:39:33.776Z

Body: Coupe | Engine (L): 2.998832712

VIN-specific recall status unconfirmed

Model-year records cannot confirm this VIN's open recalls or repairs. Verify with the manufacturer. This is not accident or title history.

WHAT THE FOUR SOURCES ESTABLISH

Vehicle identity RETURNED	2003 HONDA Accord EX-V6. Decoded specifications; verify against the vehicle and its records.
Recall campaigns RETURNED	24 campaigns returned for this make/model/year. VIN applicability and repair status unconfirmed.
Owner complaints RETURNED	2013 owner reports; reports mentioning crashes 158, fires 19. Model-year allegations, not this VIN's history or a defect rate.
Crash-test variant RETURNED	No overall NCAP rating returned. Tested variant: 2003 Honda Accord 2-DR. w/SAB (ID 4739). Configuration not verified for this VIN.

QUESTIONS BEFORE PURCHASE

1. Ask the seller for repair orders and permission for an independent inspection before purchase.
2. Ask the manufacturer or dealer which campaigns apply to this VIN and which repairs remain open.
3. Compare the VIN on the vehicle and documents. Ask for title/history records separately.
